

March 25, 2021

Good morning,

We want to update you on the status of the 90-Days Now campaign and the changes that may be needed on your website.

**This initiative** began during the early months of the pandemic and the resulting impact on parishes, the 90-Days Now Campaign was created to be a bridge for immediate financial assistance. This program was a great success with more than \$592,000 being pledged for the direct benefit of the more than 252 parishes.

Given the significant programs implemented over the past twelve months including enhanced offertory and the launch of the 2021 Catholic Appeal we are at a moment in time when we can close the 90-Days Now Campaign.

We are also looking at ways we can repurpose the portal in the event we want to deploy it for other programs. That review is ongoing.

**Action Required:**

**Please remove all references and links to the 90-Days Now Campaign from your parish website by March 31, 2021.** If you have any outstanding questions about the Campaign, access to donor records, or how to access the balance on the amount donated to your Parish, please contact your Parish Service Consultant:
