Contact Tracing › A New Business Opportunity for MBEs

With the advent of the COVID-19 pandemic, Contact Tracing has become a wide-open, human resource capital intensive area, looking for a standard, looking for new ideas, looking for new modes of delivery. Join us for a discussion of Contact Tracing and find your place in this potentially new leading-edge technology arena.

Featuring

Herb Jordan, III

Enterprise Chief Information Officer (CIO)
Office of Enterprise Technology (OET)
