

Suggestions for What to Say When Contacting Your Congressional Representative to Express Your Concern about the AHCA

Dear Representative [INSERT NAME HERE],

My name is [INSERT YOUR NAME]. I live in your District and I am a registered Voter. I would like to tell you about my concerns with the AHCA in its current form. Under the AHCA, 24 million American's stand to lose their public or private insurance¹, including 500,000 New Jerseyans², while others will experience steep increases in the cost of insurance, or significant reductions in the essential health services their insurance covers. Please reconsider your support for this damaging piece of legislation. So many lives depend on it. [INCLUDE 1 OR 2 SENTENCES ON HOW THESE CHANGES CAN/WILL IMPACT YOU PERSONALLY]
