

Mental Health Association in New Jersey's 22nd Annual Evening of Excellence

Special Guest Speaker, By Video: Mayim Bialik
Emmy-nominated actress, neuroscientist, author, blogger and film director.

Neuroscientist, award-winning actress, and podcast host **MAYIM BIALIK**, as host of *Jeopardy!* she delighted audiences and viewers with her wit, poise, and personality. She is well-known for her role as a neuroscientist on *The Big Bang Theory*, but as a real-life neuroscientist as well, she impressed audiences with her knowledge, intelligence, and genuine love for the show. The perfect balance of confidence and humor, Bialik demonstrated the same hosting abilities she brings to any speaking or hosting event and created lots of buzz while doing it. Her success as a host was noted in Good Housekeeping, Women's Health, Today Show, Yahoo! Entertainment, Fox News, CNN, Yahoo! Life, TV Insider, Decider, Insider, and in an interview on USA Today.
