TRIVIUM FFA 2022-2023

It's time to register!

Interested in being a part of one of the largest youth leadership organizations in the nation? The National FFA Organization focuses on preparing members for premier leadership, personal growth, and career success through agricultural education. Students who enroll in Trivium FFA are also registered for an agricultural education course. Honors Biology meets the agricultural education requirement for our first year members - Sophomores, Juniors, and Seniors attend a Zero-Hour Agriscience class each morning.

Incoming Freshmen: Biology with Mrs. Zimmerman
Sophomores, Juniors, & Seniors: Meet daily at 7:15am

The new year is quickly approaching and it is now time to register for Agriscience class as well as FFA. Whether you are a returning student or an incoming freshman, who would like to participate for the first time, please follow the link provided to register.
