AMERICAN COUNCIL OF  
ENGINEERING COMPANIES  
OF NEW HAMPSHIRE

**WORKING TOGETHER  
TO IMPROVE NEW  
HAMPSHIRE'S  
INFRASTRUCTURE &  
ENVIRONMENT**

## **We applaud your dedication to public service.**

The bills that come before you are important to ACEC-NH, our member firms, and our State. We welcome you to use us as a resource for guidance and expertise relating to New Hampshire's infrastructure and environmental initiatives.

## **Here is how ACEC-NH can assist you.**

We represent **75 engineering and affiliate firms** to support the business and quality of engineering across our state.

**Membership includes 1,500+ New Hampshire Professionals** consisting of Engineers, Land Surveyors, Scientists, Technicians, and more.

**These firms design New Hampshire's public and private infrastructure** such as water and wastewater systems, bridges, roads, building structures, and environmental resources.

## **Congratulations on your recent election to the New Hampshire General Court.**
