

### Innovation Cohort Accepting Applications

*By Jennifer Monti, MD, Program Director, Innovation Cohort*

This is a reminder that application to the **Innovation Cohort** are due by Wednesday, October 3. If you have an idea for a new product, service, process or translational research that can change how we care for people, consider submitting an idea to the program. More details are available **on the website**. There will be five morning meetings between October and December to advance ideas from “back of the envelope” to working prototypes and programming. All MaineHealth employees are welcome to apply.
