

# CREATIVITY IN MOTION

## FALL PROGRAM

What better way to tell a story than through

**MOVEMENT?**

Does your child love to

**DANCE?**

Does your child love

**THEATRE?**

**If so, then this class is for them!**

**This class is for individuals with special needs ages 7+**

In this educational theatre class, students will engage in embodied storytelling, using music and props to tell stories through movement. Peer buddies will be an important component in this program as they embark on a creative journey together. This class, developed and taught by a dance/movement therapist, is focused on enhancing personal growth for students with special needs on multiple levels.
