Spring 2018 After School Program for Monday

Student's Name: _____ Grade: _____

I would like to sign my student up for the following programs (Please check):

Each activity must have a minimum of 4 participants to be offered.

Homework Club (All Grades)

Students receive a snack from the Cove School Store and then are given support to complete their homework assignments.

January 22 - May 21	3:00 – 3:30	<input type="checkbox"/>	\$90
January 22 - May 21	3:30 – 4:00		\$90

Hip Hop for Boys (All Grades)

Our boy's only class offers a creative, athletic experience while developing coordination, dance and motor skills, and rhythm through movement and music. High School students will join in at 3:30.

Elementary and JH students must sign up for Homework Club from 3-3:30 if taking this class.

April 9 – May 21	3:00 – 4:30	\$90
------------------	-------------	------

Building and Playing Instruments (Elementary & Junior High)

We will explore the different families of instruments by making them out of whatever we can find. Our time will be spent both building, and composing for the instruments we create. The semester will culminate in an audio recording of composers

January 22 - May 21	3:00 – 3:30	\$90
---------------------	-------------	------

Cove School of Rock (High School)

We will continue a 5-piece rock band with guitar, bass, drums, keyboard and vocals. Students will learn the fundamentals of playing their instrument as well as their musical roles in the band. This class will culminate in a concert at the end of the term.

High School	January 22 - May 21	3:30 – 4:30	\$180
-------------	---------------------	-------------	-------

Choir (All Grades)

Enhance your child's music education. Students will learn about being part of a larger ensemble, setting goals, achieving those goals, and developing a sense of self-esteem, all while pursuing musical excellence.

Elementary and JH students must sign up for Homework Club from 3-3:30 if taking this class.

Crafts: Independent Project Design (All Grades)

Students of all ages are welcome to learn how to create and execute their own art and craft projects. The after-school activity focuses on executive functioning, self-determination, and independent skills. There is an emphasis on teaching a variety of hobbies and activities. Students are taught how to select, plan and carry out their work. An example of a research project is a student planned puppet activity: making puppets, puppet show, and the presentation.
