

Adopted District Boundary Map

Municipal General Election Information

November 5, 2024

Voter Information

In addition to national, state and regional candidate races and state propositions, there are local City of Azusa items on the November ballot.

This November, for the first time ever, Azusa City Councilmembers will be elected through District elections allowing voters in each District to elect their representative Councilmember.

Find Your Voting District

Use the map on the back to locate your district or access the Voter District Look Up Tool through the QR Code or link below.

Only Districts 2, 4, and 5 will be up for election during the upcoming November 2024 Election.

Districts 1 and 3 will be up for election during the November 2026 Election.

Frequently Asked Questions about Azusa's Municipal Election

Q: What is on the November 5th Municipal Election Ballot?

A: Azusa voters will have the opportunity to elect Councilmembers for Districts 2, 4 and 5. Also on the ballot is Measure ZZ – the *City of Azusa Public Safety, Community Services, Local Control and Accountability Measure* for voter consideration.

Q: Why was Measure ZZ placed on the ballot?

A: Over the past seven years, Los Angeles County's Measure H has taken over \$13.5 million in sales tax dollars from Azusa sales transactions, while the City itself has only received about 5% in return. As Measure ZZ's official resolution states, the City of Azusa seeks to maintain local control over local taxpayer dollars so these funds can be spent to maintain local services and enable the City to be prepared in uncertain times.

Provided for informational purposes only, the City of Azusa does not advocate a yes or a no vote on Measure ZZ.

Q: What is Measure ZZ?

A: If enacted, Measure ZZ only takes effect if LA County's Measure H, the County's ¼ cent sales tax that is currently taking the money on purchases made in Azusa to spend on County matters, expires or is repealed. Once the County measure ends, Measure ZZ allows the City to capture the ¼ cent sales tax the County is currently collecting, so this sales tax on purchases in Azusa can be used only for our local City services for the benefit of Azusa residents. No funds could be taken by the County or State.

Q: How could Measure ZZ funds be spent?

A: If enacted, Measure ZZ could provide additional local funding for community identified City service priorities such as continuing police anti-gang enforcement programs, addressing homelessness, maintaining police patrols of neighborhood schools, parks, and recreation areas, maintaining city services and long-term finances and repairing streets and potholes and improving public facilities.
