

Course 3: Leadership Dynamics

Duration: 1 Day

Overview:

This course outlines the characteristics of a successful leader. Participants examine the different leadership styles and the value of bringing clarity and integrity to the role of leader. They will learn the skills, knowledge and attitudes that are required to be an effective leader. The course will culminate with participants envisioning their personal leadership legacy.

Learning Outcomes:

Upon successful completion of this course, participants will be able to:

1. Apply the four styles of the Situational Leadership® Model.
2. Use developmental leadership to build a leadership development plan.
3. Create a leadership legacy.

Content:

- Situational Leadership® Model (Four styles: Direct, Coach, Support, Delegate)
- Developmental Leadership
