

NEW JERSEY **BUSINESS** MAGAZINE

May, 2025

New Jersey Business Magazine, now in its 71st year, is NJ's longest standing business magazine, delivering news and information on matters that impact all businesses, and is distributed across NJ, to business and legislative leaders at the state, county and local levels.

This is guaranteed by our parent company, The New Jersey Business & Industry Association (NJBIA). For more than 110 years the NJBIA has been focused on the advancement of competitive excellence and financial success of businesses in the state. NJBIA is the voice of thousands of businesses bound together to build a more prosperous New Jersey.

The Middlesex County Regional Chamber of Commerce is a member and supporter of NJBIA as are many of its members. In appreciation of their long-time partnership, New Jersey Business Magazine would like to offer a complimentary subscription to all MCRCC members.

*Simply send an email with your name, the name of your business and the mailing address where you would like the magazine delivered to: **b.brauner@njbmagazine.com***

Thank you in advance for your consideration and participation.
