

## Get Certified Women Owned Small Business

According to the Small Business Administration (SBA), the federal government must award 5% (roughly \$25 billion) of its prime and subcontract dollars to WOSBs/EDWOSBs.

At Federal Contract Advisors, Inc., we simplify the process of certifying your Woman or Veteran Owned Business.

Why wait to become certified and delay having your certification work for you? Contact us today! One of our Contract Advisors will be assigned to you immediately and will make sure your company is certified quickly, accurately, and compliantly.
