

EMBASSY OF BELIZE

August 15, 2019

Dear Members of the Belizean Community in the United States,

Greetings from your Embassy in Washington DC. We take the opportunity to thank you all for your continued interest in all things Belizean. We hereby provide the following link to an article published in the Guardian: <https://www.theguardian.com/environment/2019/aug/14/why-tiny-belize-is-a-world-leader-in-ocean-protection>

We are proud to underscore the progress Belize has made in this regard and the high esteem with which we are held globally.

As we approach September celebrations, the Embassy wants to wish everyone a safe and celebrative time as Belize turns 38. Happy Birthday Belize.

Sincerely,
