HGTV Celebrity Designer Alison Victoria to Appear at the 2020 NARI Home Improvement Show

(Cleveland)—Interior Designer and HGTV Celebrity Alison Victoria will be appearing Saturday, January 11, 2020 at 12 noon and 2:00 p.m. at the NARI Home Improvement Show, which will take place at the Huntington Convention Center downtown Cleveland. Her appearance on the Main Stage is being sponsored by Ohio State Waterproofing and Remodel Me Today.

"When it comes to interior design, her energy and ideas are boundless and we're certainly excited to have her appearing at the first show we're presenting in downtown Cleveland.," said Kathy Masterson, Executive Director of NARI Greater Cleveland.

A native of Chicago, Alison moved to Las Vegas in 1999 to attend the University of Nevada. After graduation, she spent two years creating interior designs for Christopher Homes in Las Vegas and then launched her own consulting firm, Alison Victoria Interiors. That led to a life-changing opportunity when the Silverton Casino Hotel hired her as creative director to oversee its \$160 million dollar expansion.

Now with offices in Chicago and Las Vegas, Alison is known for creating glamorous, modern interiors with a client list that includes high-end boutiques, resorts and private residences.

It didn't take long for Alison's work to catch the eye of producers of HGTV's *Kitchen Crashers* and for nine seasons, she surprised homeowners with extravagant kitchen designs completed in just a few short days. She's currently involved with the network's hot new series, *Windy City Rehab*. In that role, she buys vintage homes in Chicago and transforms them into buyer-friendly dream properties.

Alison Victoria is also the designer on this year's *HGTV Dream Home 2019* and can be seen on HGTV's new female competition show *Rock the Block* hosted by Drew Scott.
