# PERFORMING STARS™ is launching a Thanksgiving Holiday Food Drive to provide for 500 low income families in Southern Marin (Marin City, Shelter Hill in Mill Valley, The Hilarita in Tiburon and Galilee Harbor in Sausalito)

**2020 has been a year of uncertainty for everyone. As we approach the upcoming holidays, Thanksgiving is a time of sharing with families and friends, get togethers, and especially for a traditional homemade hot dinner. It is a time to reflect and to give thanks for our families, our health, our homes and our jobs. Many families in our community have been impacted by the pandemic with joblessness and added stress and anxiety about the future. More than ever, this is a time to show our gratefulness for the many things we have in our lives and also show what we can do to serve others.**

***Performing Stars will be assembling Thanksgiving food baskets for five hundred families and we would be so appreciative of any amount of financial donation you can contribute.***
