

# Adopt - A - Class Donation Program

Plato Academy Clearwater (PAC) PTO is proud to be continuing a great program here called, Adopt-a-Class. Any parent, relative or local business can adopt a class and can receive a tax deductible receipt for their donation. When a class is adopted, 100% of the money goes directly to the class for the purchase of educational materials to be used in the classroom for the students. This then becomes classroom property. The teachers are allowed to purchase items they feel will help their class. The goal is to reach \$200 for each class. We would greatly appreciate donations of \$50, \$75, \$100, \$150 or \$200 to help us quickly achieve our goals so that teachers may begin their purchases as soon as possible. No donation is too small.
