11:00 a.m. ET**

**#biggive**

**The Big Give will provide critical support to nonprofits working to strengthen and improve the central Ohio region during this unprecedented time.**

Utilizing **The Giving Store**, the Foundation's online marketplace, you can share your kindness and give to one or more of 1,100 nonprofits across a 10-county region\*. Your gift(s) will be boosted on a pro rata basis thanks to a \$1 million+ **Bonus Pool** made possible by generous donors and corporate partners.

In recognition of these perilous times, the Foundation has added new ways to support those affected by COVID-19 during The Big Give. You'll be able to donate directly to funds specifically for hospitality workers, individuals and families, and nonprofit organizations working on the frontlines of this crisis, as well as to any of over 1,100 eligible Giving Store nonprofit organizations.

Columbus Foundation donors can make a grant using their Donor Advised Fund or Supporting Foundation. Anyone can give by credit card, PayPal, Google Pay, and Apple Pay starting at \$20.

All credit card fees will be covered, so **100 percent** of your donation goes to the Giving Store nonprofit(s) you choose to support.

**The Big Give is your BIG opportunity to help others during these challenging times. Join us and make a difference on June 10–11.**
