## MESSAGE FROM THE HEAD OF SCHOOL

The beginning of this month, Dror Karavani and I had an opportunity to participate as members of the Columbus Jewish Federation's Educator's delegation to our Israeli sister city Kfar Saba. During these short days of the mission we accomplished a tremendous amount. We did a deep nose dive into the Israeli educational system, which was informative and offered a significant amount of professional development. We visited and observed five different schools and interacted with several principals representing a wide variety of schools. There is nothing more enriching than the opportunity for professionals to share best practices and collectively reflect on their work.

We also spent several days with our partner schools in Kfar Saba. For the last several years CTA has enjoyed strong partnerships with Gan Rakefet, which is a pre school and Shilo, which is 1st-6th. I have been aware of the strong relationship CTA has with these schools, however, until my visit, I never realized the significance of CTA to these schools and their students. When one enters the front yard of Gan Rakefet, you are greeted to a huge mural on the outer wall with a reference to the CTA and Gan Rakefet relationship. When the children saw Dror who has visited several times before, they jumped up and down and screamed. When we visited Shilo, I was also shocked about how significant the partnership between CTA and Shilo is. They have a CTA bulletin board prominently displayed in the center of the school. It was so fun to see pictures of our CTA students (and my own daughter) in a Jewish day school across the world in the holy land of Israel.

Additionally, I had the special opportunity to meet and address several parents of fallen soldiers that our high school students have researched and presented about through our annual "Remembering 2gether" program. These parents are grateful to our students for keeping the memory of their sons alive. One mother showed me a scrap book containing all the work and research that our students have done about her son. She read a letter to me that was written by two of our students and sent to her which reflect on the life lessons they have learned from researching her son and how connected they feel to her and her son. It was absolutely remarkable to witness first hand the impact that our high school students are making in helping these families remember and celebrate the lives of their children.

Lastly, the highlight of my trip was having dinner with several of our alumni who are spending their gap year in Israel studying in yeshiva, seminary and college. It was rewarding to hear these students reflect on how their education at CTA has set them up for further success in their new learning environments.

## NEWS FROM UPPER SCHOOL JUDAIC STUDIES DEPARTMENT

By Rabbi Zecharia Weitz, Upper School Judaic Studies Coordinator

### Middot Lab

While some people use the report card quarters as school year mile markers, others use upcoming holidays and yet others simply use months. In Upper School Judaic Studies, however, our only barometer is which *midda* (virtue) we are up to in our Middot Lab program. This year is the Middot Lab's maiden voyage and, thus far, we have covered 6 of Rav Yisroel Salanter's 13 Essential Middot and just launched the 7th (Tzedek or Justice) this past Friday.

The goal of our Middot Lab is to enable our students - and faculty, to experience what each *midda* feels like in real life, learn about it from primary sources and reflect on where we are on our journey in acquiring it.

The universal nature of *middot* in general makes reinforcing these virtues throughout the day, whether in Judaic or General Studies or even lunch, a very natural and real endeavor. Taking advantage of all the opportunities to reinforce each *midda* including using our walls and different types of media creates an atmosphere of immersion.

With G-d's help, this program will help us all learn a lot about ourselves and become more refined people in the process.

## UPPER SCHOOL TO PRESENT DRAMA PRODUCTION

Thanks to the generosity of supporters and the sheer enthusiasm of students, the Upper School will be presenting a Drama Production later this spring. They will be presenting "Little Women" and auditions are open to students in grades 7-12. Auditions are scheduled for February 14 and 15 after school. The play will be directed by Mrs. Kate Willis and produced by Gillian Herszage, 9<sup>th</sup> grade student. Thank you to sponsors, Drs. Rafe Wenger and Shifra Tyberg and Nancy and Ken Supowitz. Save the date for performances which are scheduled for March 28 and 29, 2017 at CTA. For more information, contact [ggherszage@gmail.com](mailto:ggherszage@gmail.com)

## HAVE HEBREW BOOKS THAT NEED A GOOD HOME? THINK CTA LIBRARY

Please contact our librarian at [chmiller813@gmail.com](mailto:chmiller813@gmail.com)

## LOWER SCHOOL TZEDAKAH PROJECT

A special Tzedakah project has been launched in grades 2-6. The project was initiated by an organization named GIFT and the advisor is Yona Kimche, CTA Teacher. GIFT's twin objectives are to inspire and educate people to give, while simultaneously helping those in need.

The aim of the project, called "Small change - Big difference" is to teach and engender an attitude of being a 'giver' by making a habit of 'giving' and to understand that giving charity often, has a greater impact on one's personality than giving the total amount all at once.

The challenge posed to the students has been: To give ONE cent to Tzedakah EVERY DAY for 30 days.

We look forward to hearing about their success and growth.

## FLL LEAGUE ADVANCES TO DISTRICT

Congratulations to the Beard Bots on their 1st place win at the FLL Regional Qualifier Competition held in early December. The team advanced to the District Qualifier in Dayton in early January, but while they didn't advance to the State tournament, they did learn a lot. The First Lego League is an international competition that challenges students to build, test, and program an autonomous robot using LEGO MINDSTORMS technology. The team, made up of all CTA kids, is parent led. The kids who competed were Avraham Import, Aviel Metz, Eli Bernzweig, Ariel Ilin, Roni Delman, Bina Newman, and Yaakov Newman. Student mentor was Neil Kalf. The kids received help from Ariella Rosenbaum on the team's project portion of the

competition based on the season's theme, the allied relationship between humans and animals. Their project was about neighborhood continuous raising about the benefits of bats and how they shouldn't be considered scary. They created a website (batparty.org) which has articles about bats and their shrinking habitat and how readers could create a bat-themed party to make their neighbors aware of the animal's benefits.

## VISITOR FROM FRANKLIN PARK TO LOWER SCHOOL

Recently, students in the 3rd through 6th grade were visited by Bill Dawson, "Growing to Green" Program Manager at the Franklin Park Conservatory and Botanical Garden. Dawson spoke to the children about the varied uses of corn, a common crop grown in North America. He treated the students to an interactive lesson about corn in Native American culture, the "three sisters" philosophy of complimentary agriculture, corn as a source of renewable energy and the many uses of corn today.

## GIRLS ON THE RUN TO PARTNER WITH CTA

CTA is hosting a chapter of Girls on the Run of Franklin County/Central Ohio with the 10 week season starting the week of March 6th through the week of May 15<sup>th</sup> and is open to girls in 3rd - 6th grade. The Girls on the Run curriculum inspires girls to define their lives on their own terms and to build their confidence and celebrate all that makes them unique. Girls on the Run lessons encourage positive emotional, social, mental and physical development. Participants explore and discuss their own beliefs around experiences and challenges girls face at this age. They also develop important strategies and skills to help them navigate life experiences.

CTA Head Coach will be Ms. Debra Kira. Mrs. Tamalynn Lerner and Shayna Herszage will co-coach on alternating days. If you have any questions, email [dkira@torahacademy.org](mailto:dkira@torahacademy.org) or Girls on the Run at [gotfranklincoed@gmail.com](mailto:gotfranklincoed@gmail.com) with any questions.

Physical activity is woven into the program to inspire an appreciation of fitness and to build habits that lead to a lifetime of health. At the end of the three-month session, the girls will participate in a Girls on the Run 5k event – on Sunday, May 21st at Columbus Commons. This celebratory, non-competitive event is the culminating experience of the curriculum and completing the 5k will give the girls a tangible understanding of the confidence that comes through accomplishment as well as a framework for setting and achieving life goals.

To register for the session, go to <http://girlsontherunfranklincounty.org/registration/> The program group size is limited to 12 girls. The Spring 2017 Lottery Registration period begins Monday, February 6th, and closes on Thursday, February 9th, at 11:59 pm.
