

## RIDE ALONE TOGETHER WITH THE TELUS RIDE FOR DAD

### FIGHTING AGAINST PROSTATE CANCER

Due to social distancing restrictions TELUS Ride For Dad motorcycle group events have been postponed until late summer in the hopes that this annual fundraising and awareness Rides can proceed. During these challenging times the fight against prostate cancer needs your help more than ever!

If social distancing dictates that we cannot ride in large groups, then fine, we'll Ride Alone, but across this country we'd **Ride Alone Together!**

#### Here's how it works;

- Respond to this e-mail with your decision to participate in **Ride Alone Together**
- Choose your registration option (with or without a t-shirt).
- You will receive a **Ride Alone Together** suggested ride route by e-mail.
- Your gift items and Participant Card will be shipped to you.
- Enjoy a Ride Alone Together motorcycle route, take a selfie at designated location & share it on [Facebook page](#) (link)
- Congratulate yourself for staying safe, having fun and helping men and their families as we fight prostate cancer together.

On a date and time of your choosing, ride out alone or with a few registered friends and follow the route. Enjoy your day and at specified locations along the route stop and take a selfie that we can post on social media. You can ride the route as many times as you like and keep on collecting pledges right through the summer and into the fall.

Monies raised will be directed to your Chapter and will qualify for fundraising prizes including entry to the Ride For Dad Grand Prize 2020 of the [Renedian](#) African Motorcycle adventure, valued at over \$10,000. Fundraisers receive an entry into the draw for every \$100 in pledges raised before October 5, 2020.

#### TELUS Prize Pack

All **Ride Alone Together** registered participants will be entered into a draw to win a TELUS Technology Prize consisting of an Apple iPhone and Apple iPad.
