### Kitchen and Bath Appliances: What Real Estate Agents Need to Know

<b>Course Date:</b>	June 3, 2021	<b>Course Type:</b>	Online Course
<b>Course Time:</b>	10:30 AM		Requires Zoom Client for Meetings
<b>Presenter:</b>	Jonathan Helton		<a href="https://zoom.us">https://zoom.us</a>

### Course Summary

Interested buyers and sellers often ask real estate agents basic questions regarding kitchen and bath appliances. Participants of this course will learn about the different types of kitchen and bath appliances available to consumers, the basics of how those appliances function, and common problems associated with those appliances. Completion of this course will allow participants to provide increased insight on kitchen and bath appliances to their clients.

### Learning Objectives

By the end of this course, participants will be able to:

- Describe the basic characteristics of kitchen appliances including dishwashers, refrigerators, food waste disposals, ranges, ovens, exhaust vents, microwave ovens and trash compactors.
- Describe the basic characteristics of bathroom appliances including mechanical exhaust vents.
- Identify common problems associated with kitchen and bath appliances.
- Explain what a home inspector looks for regarding each appliance.
