

## Valentine "Love Baskets"

Valentine's Day is a great time for us to share our love with others. St. Paul's "Love Basket" outreach ministry is the perfect way to share that love!

"Love Baskets" are filled with fresh fruit, candies and homemade goodies and delivered to persons in our church family, as well as our immediate church community who have endured a death in their family, health issues, job loss or another hardship in the past year.

On Saturday, February 9, we will be assembling baskets in George Crooks Dining Area beginning at 9 am with delivery beginning promptly at 11 am.

Each year we continue to increase the love we share with the number of baskets we prepare and deliver. This growth is because of you... Thank you!

Please indicate below what you would like to contribute and/or if you would like to share in the joy of delivering baskets to a deserving member or friend of St. Paul's, tear off and place in the offering plate or drop off in the Church Office.

If you have any questions, please contact Teri Deeds at 412.773.2802 or by email [terisdeeds@gmail.com](mailto:terisdeeds@gmail.com).

---
