Dear Sir or Madam:

Please consider sponsoring the 11<sup>th</sup> annual March Mad Dash, which will be held on Saturday March 27, 2021 in North Park. The event attracts runners and walkers from the greater Pittsburgh region and is comprised of three distances; 5k, 5 miles and 10 miles. Due to COVID 19, runners/walkers will have the option to participate in the event virtually.

Sponsor donations will go directly to Youth Reach, Inc and will offset expenses incurred by local teens volunteering to help others. Past races have funded middle school students making home improvements within the city of Pittsburgh. Those helped include older folks in need and those who are physically and/or economically disadvantaged. The kids tackle a variety of jobs, such as retaining wall repair, basement waterproofing and house painting. High school students are often called to help repair damage from natural disasters, traveling as far as Colorado and Louisiana for post flood/hurricane work. These teens have also served several communities in the Southeastern and Midwest United States by replacing roofs, building wheelchair ramps and making plumbing repairs. A few of our students have reached even further, having served in the mountain village of Plain Matin, Haiti.

Guided by capable adult mentors, the youth develop practical skills as they learn to interact with diverse communities different from their own. If you are interested in supporting these service- minded teens, please consider becoming a sponsor.

We work hard at promoting our sponsors! As a thank you for supporting our event, your company's name will be listed on the home and sponsor pages on our event website, [www.marchmaddash.org](http://www.marchmaddash.org). Please see the Sponsor Levels Form for other ways in which we recognize our sponsors.
