Dear Chris,

I'm a Board member of the Franklinton Historical Society as well as a loyal member of The Ladies Ancient Order of Hibernians.

The Franklinton Historical Society promotes interest in Franklinton history and nurtures a sense of pride in the Franklinton area. Franklinton was the first settlement in central Ohio, founded in 1797, which gave rise to the founding of Columbus in 1812. Franklinton was also the location of the first identified settlement of Irish immigrants in Central Ohio in the 19<sup>th</sup> century.

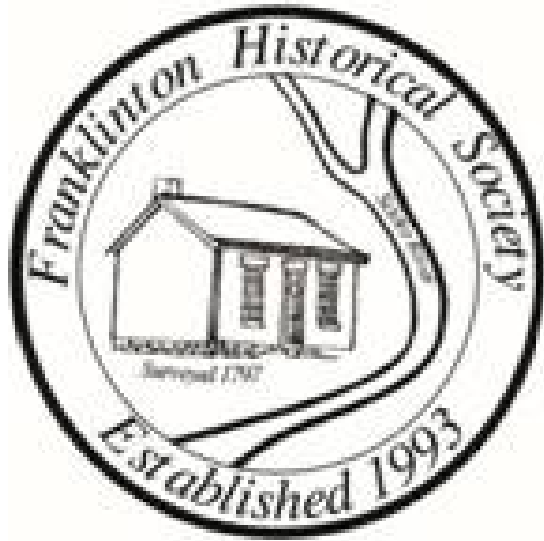

The Franklinton Historical Society, in partnership with the Columbus Historical Society, is participating in restoration of the Harrison House (adjacent to Holy Family Church), built in 1807, and the Sullivant Land Office, built in 1822, as well as offering tours, events, and historical programs for the Franklinton and greater Columbus community. Please stay tuned for announcements of upcoming events!

Unfortunately, the COVID 19 pandemic has weakened our ability to market the 2021 Franklinton Historic Calendar. We'd be most appreciative if some of your members would consider supporting the Franklinton Historical Society through purchase of the 2021 Franklinton Historic Calendar.
