

## SAME SACRAMENTO POST PRESENTS

### SITE TOUR!

## SEE THE LOWER ELKHORN BASIN LEVEE SETBACK PROJECT AND YOLO BYPASS EXPANSION PRESENTATION

THURSDAY, JULY 28, 2022

2:00 PM TO 4:00 PM

#### TOPIC:

Please join the SAME Sacramento Post for a field tour of the Lower Elkhorn Basin Levee Setback Project and hear presentations on the status and future of the overall Yolo Bypass expansion program from California Department of Water Resources (DWR), USACE Sacramento District, and the Sacramento Area Flood Control Agency (SAFCA). This project is part of the Central Valley Flood Protection Plan (CVFPP) to provide flood safety for approximately 780,000 people by reducing river levels in the Sacramento River through increasing the capacity of the Yolo and Sacramento Bypasses. The project consists of approximately 7 miles of setback levees in the Lower Elkhorn Basin along the east side of the Yolo Bypass, and the north side of the Sacramento Bypass.

#### SPEAKERS:

**DWR:** David Pesavento, PE. Senior Water Resources Engineer, Project Manager

**SAFCA:** Dan Tibbitts, Principal Engineer, Project Manager

**USACE Sacramento:** Sean McNeil, Project Manager

**LOCATION:** (Yolo) County Road 124, West Sacramento, CA;  
intersection of County Road 124 and Old River Road

**DIRECTIONS:** Turn south onto County Road 124 from Old River Road and go past the security gate all the way to the signs for the designated parking area. This is where tour attendees will consolidate into vans. Refer to the map on the next page. Google Maps directions from USACE Sacramento District Office (Downtown Sacramento) to County Road 124: <https://goo.gl/maps/ce4iJptaz6vRhvPbA>. Refer to map on next page.

**COST:** \$35 members, \$25 government employees, \$45 non-members; FREE for active-duty military and students  
Please note that registration fees are not refundable due to 3<sup>rd</sup> party van rental requirements. Please note that this is not a lunch meeting, but snacks and beverages will be provided for tour attendees.

#### REGISTRATION:

Registration is available for both the Tour and Networking by using our [online registration link](#). There are contacts and map information on the registration pages if you need additional information.

*NOTE: Stay tuned for upcoming information regarding a Young Professionals Networking Event immediately after the Tour!*
