The POOP MUSEUM – Monday, August 11th, 11a.m. to 12 p.m.

Sponsored by the Friends of the Rathbun Library and the Friends of the East Haddam Library

Susie Maguire aka the Poop Lady will bring the Poop Museum to the East Haddam Historical Society Museum. She covers the serious science of poop and pooping and it is delivered with the silliness that you might imagine accompanying a program about poop. During the program she covers many kinds of animal and insect poops but will also talk about human poop.

Snakes & Turtles – Meigs Point – Thursday, August 14th, 2 p.m. to 3 p.m.

Sponsored by EightMile River Wild & Scenic Watershed

Ranger Russ's Special Friends - An introduction to snakes and turtles in a very comfortable way. Dispels myths and helps children to understand and not fear these unique animals. Meigs Point Nature Center will bring live animals to the museum.
