

Tidings of Great Joy!

God Bless the Saint Joseph School Faculty and Staff.

Dear Saint Joseph School Community,

We are continuing the wonderful tradition of the annual Saint Joseph School Christmas Collection. This tradition began several years ago by parents as a gesture of appreciation for our hard-working faculty and staff. The generosity of families has been truly incredible each year during the holiday season.

The Christmas Collection allows families to contribute toward a larger monetary gift for all members of the Saint Joseph School faculty and staff. This gift has a profound impact on the teachers and staff. Participation in this collection is voluntary and the amount contributed is always up to your individual family.

We are often asked, “what is an appropriate donation amount?” This is always up to you, but please consider this:

- The total collection is divided more than 60+ ways so that all our teachers and staff from Preschool through Grade 8 receive a monetary gift
- This is the only time of the year that parents acknowledge our teachers and staff together as an entire school community

If you would like to participate, please click [here](#) no later than, Monday, December 12, 2022.

Thank you in advance for your support. We wish you the very best this Christmas season!

God Bless,

Ian Snyder | Head of School
