

Palos Verdes Peninsula High School California Scholarship Federation

California Scholarship Federation had a Successful Membership Drive!

Congratulations to all of the new and continuing CSF members. During two weeks in September, CSF took in 842 applications for fall 2021 membership. Fall 2021 membership is based upon the academic excellence achieved during the spring semester ending June 2021.

SENIORS: Many seniors are poised to earn Sealbearer status in February...so, seniors, please make sure that you submit your application in January should you qualify. Sealbearer Status requires four semesters of membership in any of the sophomore, junior, and senior years. According to our By-Laws, **seniors must have at least one of their qualifying semesters in their senior year.** Once a senior has the required four semesters membership, they are deemed a Life Member of CSF. Highest honors, or 100% membership, is awarded to students who have five semesters membership as of February 2022 (the final semester of grades will be checked by the adviser in May/June). All Sealbearers will be presented with certificates as well as gold cords to be worn at graduation, some may earn (via community service) the opportunity to not only receive their certificates and cords but also a gold stole (only CSF, AVID, and NHS are allowed to have stoles at PVPHS) that will be worn at graduation. In addition, a seal will be placed on the diploma as well as a special notation on the sealbearer's final transcript that is sent to colleges/universities over the summer.

Sealbearers will be presented with their certificates, cords, and in some instances, stoles at the Honor Society Membership Celebration that will be held on May 26, 2022. CSF scholarships will also be presented at that time. Keep an eye out for more information!

STOLES: The way Sealbearers may earn the gold stole is by having a minimum of 60 hours of community service that can be verified. The application process for this honor will take place shortly after the winter collection period (January 2022). Once seniors are verified as Sealbearers, they will receive an invitation to the Honor Society Membership Celebration. Included with the invitation are directions explaining what Sealbearers will need to do in order to receive their gold stole. The application is very simple: fill out form, show proof of community service hours and return it (along with the fee for the stole, which simply covers the cost of the item) to Mrs. Okamoto in H65.

Congratulations to all of the outstanding students who qualified for membership this semester. They are listed by grade level following this article. We hope to see them all again along with many new members from the Class of 2025 as current freshmen may apply for junior membership status (only the sophomore, junior and senior semesters are counted for Sealbearer status at graduation) based on their grades from their first semester of high school. The application period for winter will be January 18th - 28th. PLEASE KEEP IN MIND THAT NO LATE APPLICATIONS WILL BE ACCEPTED. The information is in Principal's Update as well as bulletin and it is very crucial that you read both daily! Remember, the qualifying semester for winter is the fall 2021 one (the current semester).

Thank you to the CSF Board Members who worked so hard to make our membership drive a success! We appreciate your efforts! The same goes for our staff volunteers (specifically ms. Ball, Ms. Keilbach, Mrs. Croucier and Mrs. Lore). You are all awesome! We couldn't do it without you.

Any questions or corrections regarding the current membership list, please contact Mrs. Betsy Okamoto at okamotob@pvpusd.net.

Thanks again for your support! It is greatly appreciated! Betsy Okamoto, Adviser

*Please see the following class lists for current membership. Only those students who have applied for and received membership for this semester are listed. If the student's name is spelled wrong, please let me know!w

CSF Memberships: Class of 2022

The following students from the class of 2022 have qualified for membership for this semester (fall 2021) based upon grades from June 2021. This list contains only those students who have current membership.

**Eligible for Highest Honors Sealbearer (5 semesters) to be based upon the fall 2021 grades that will be submitted in winter of 2022.

*Eligible for Lifetime Sealbearer Member (4 semesters) to be based upon the fall 2021 grades that will be submitted in winter of 2022.
