

Dear Members and Friends,

We have all been thinking about and wishing and hoping for the time to arrive when we can feel safe meeting together inside our sanctuary for Worship Services again. Now, going into the third year of the pandemic we still don't know when that will be.

At our January meeting of the Board of Directors, we reviewed the situation yet again. We are hoping to try having an indoor service in April, but of course, this depends on the Covid data. We decided to discontinue our Worship Services on Zoom due to the amount of work involved in producing them, compared to the amount of people attending them. There were only six people beside the speaker and the worship leader at the January service.

So, what do we do while we wait?

—Gail will continue to host the **Coffee Hour & Free Wheeling Symposium** on Sunday mornings at 10:00am at our regular Zoom site.

—Jane Thanx, Carol Maxwell and Gail Marquette will start the **Spring Chalice Circles on March 4th, 2022**. We will be sending out the details to prior participants. If you haven't attended a circle and want to, contact [Jane.thanx@icloud.com](mailto:Jane.thanx@icloud.com).

—We will continue to announce the UU Coastside Community's Sunday Services as well as those of UU San Mateo.

We hope to see you in person in the spring,  
Your UUCLC Board of Directors,  
Jane Thanx, Tom Marquette, Sue Herrmann, Joan Fernandez,  
Nancy Rhoades
