

Board Responsibilities include:

- Attend quarterly board meetings – Virtual, 9:00 am – 12:00 pm, usually on third Monday in July, October, January & April. President-Elect also attends Executive Committee meetings in Sept, Dec, Mar & June. *Any in-person meetings will include mileage and hotel for those outside the metro area.
- Serve actively on one NASW-MN committee (all meetings held virtually; meeting times and commitment vary).
- Represent NASW to chapter membership, attend NASW-MN workshops and functions, and assist in Membership development.
- Bring issues pertaining to Social Workers to the attention of the Board and Executive Director.
- Geographic Region Representatives and Student Representatives identify issues and concerns of their constituency and advocate in the constituent’s best interest.
- Geographic Region Representatives help bring Chapter events to their region.

Delegate Assembly Representatives (3 year term)

These positions are a great way to engage in NASW decision making at the National level. The Delegate Assembly is the representative, decision-making body for NASW Nationally - comprised of 277 elected delegates - through which NASW members set broad organizational policy, establish program priorities, and develop a collective stance on public and professional issues – including changes to the Code of Ethics.

The Delegate Assembly meets once every three years for 1-2 days (next meeting in 2023, likely virtually), with the potential for optional additional engagement in the years preceding the meeting.

Representatives review documents and policies, weigh in on language and content, and vote on behalf of our Chapter.

Nominations Committee Members (2 year term)

This committee helps ensure our Chapter has great leaders in place. Members work throughout the year to seek and recruit potential candidates, and the committee meets 2-3 times each year in the Winter/Spring to review nominations and slate candidates for election.
