AUGUST ADULT EVENTS

FEATURED PROGRAM:

"How the Internet Disrupted Science": Local Author Talk with Kent Anderson

Monday, August 24 at 6:30pm

Join us for a timely exploration of how the internet transformed the way scientific knowledge is created, shared, and trusted. Whether you're interested in science, technology, media, or current events, this thought-provoking presentation by scholar Kent Anderson offers fresh insight into one of the defining challenges of our digital age.

Please register for this event.
