## Connecticut Rivers Council

Dear Scouting Families,

We hope you and your Scout are enjoying a wonderful holiday season. As we prepare for an exciting year of Scouting in 2026, we want to ensure every member is accurately renewed before unit recharters take place in early January.

### THIS MESSAGE IS BEING SENT TO ALL FAMILIES, INCLUDING THOSE WHO:

- Have already renewed for 2026 – Please double check to ensure you're properly renewed.
- Have memberships that will expire soon – please renew by December 31st.
- Have memberships that have already expired – please renew as soon as possible to avoid disruptions.

### COMPLETING YOUR RENEWAL BEFORE DECEMBER 31ST HELPS ENSURE:

- Safeguarding our youth - this is the top priority of this council. All members must be properly registered to ensure the safety of all youth/members.
- No interruptions in your Scout's participation, advancement, or event registration.
- A smooth and timely unit recharter in early January.
- Accurate membership records for your Pack, Troop, Crew, or Ship.

Your prompt attention is greatly appreciated and helps all our units remain strong and focused on delivering the best possible Scouting program.
