## Update on ERAC's Learning Management System Training

Cheryl Dahlager, Manager, Process Services

ERAC's Learning Management System (LMS), SafetySync, has recently updated the user settings so you are no longer able to use the same email address for multiple accounts. If you are currently using an email address that is being used by others, you will be required to have your own individual email address effective immediately. ERAC's LMS provider will be working towards logins with only email address and password in 2017. Please let us know if you need to have your email address updated.

We have updated the Incident Command System (ICS) training requirement for Remedial Measures Advisors (RMAs), Technical Advisors (TAs), Response Team Leads, Alternate Team Leads and Team Members. Please note this requirement is mandated by Transport Canada. The new ICS requirements are as follows:

Technical Advisors – ICS 300  
Remedial Measures Advisor – ICS 200  
Response Team Lead – ICS 200  
Alternate Team Lead – ICS 200  
Response Team Members – ICS 100

The ICS certificate is currently enabled in your portal as optional. ICS will change to mandatory for Team Members effective June 30, 2017 and for RMAs, TAs, Response Team Leaders and Alternate Team Leaders effective January 1, 2018.

ICS 100 and 200 training can be found by clicking on the following links:

ICS 100 - <http://apsts.alberta.ca/online-courses/ics-100/>

ICS 200 - <https://alberta.noverant.com/fcf/portal/>

If you have any questions regarding ICS training please feel free to contact either Don Merriam, Operations Manager, LPG at [don.merriam@erac.org](mailto:don.merriam@erac.org) or Patrick Knight, Operations Manager, Flammable Liquids at [patrick.knight@erac.org](mailto:patrick.knight@erac.org).

Please feel free to contact either Shandie Hildebrand or myself at any time if you have any questions regarding ERAC's LMS or your compliance. You can contact us at [cheryl.dahlager@erac.org](mailto:cheryl.dahlager@erac.org) or Shandie Hildebrand at [shandie.hildebrand@erac.org](mailto:shandie.hildebrand@erac.org).

Wishing everyone a happy holiday season!
