

## **Learning Opportunity: Library Science Collection Webinar**

The Provincial Library and Literacy Office (PLLO) develops and maintains a comprehensive resource collection in the field of library and information science. This collection is intended to serve the needs of staff and trustees working in public, academic, school, health, law and special libraries in Saskatchewan, those in the province studying library science, and those with a general interest in libraries.

Join PLLO's Shaun McMullen, Public Library Coordinator, as he shares information about the collection and how to access it.

The webinar will be presented on **March 24, 2022 from 1:30 p.m. – 2:30 p.m.**

To attend the webinar, please complete a brief registration form using the link below. If you are unable to attend but you would like to view a recording of the webinar, please register for the event.
