

SLA Board; Member at Large Position

Number of Positions: One

Length of Term: 2-Year Term, 2024-2026

Time Commitment: 6-7 meetings per year, most virtual

Are you an individual member who believes in promoting and advancing library and information services? If so, we encourage you to become involved and contribute to your profession.

As a board member, you have an opportunity to lead and influence the direction of the Association. You will become familiar with issues affecting libraries of all types and have a voice in broader issues related to libraries. As an organization, we work collectively to improve and support libraries through advocacy, communication, engagement, professional development, and networking. You will gain experience that contributes to your professional portfolio as well as engage with colleagues at a personal level.

Interested individual members, in good-standing, can submit their letter of application describing how they would support the SLA Board of Directors and organizational mandate, along with their CV/resume detailing library service experience to Tina Kleisinger; Executive Director - tkleisinger@saskla.ca.

The closing date for interested submissions is **November 12, 2024**.
