

Program News

As we begin planning for busy fall programs, the size and shape of our programs must be adaptable to inside, outside and the virtual world. In addressing these possibilities, SLA is providing video tools for your use, and grants that will help you make creative programs for your patrons.

Culture Days is September 25 to October 25, 2020
Saskatchewan Library Week is October 18-24, 2020

Culture Days is extended for a full month in 2020

Due to the uncertainty created by the current COVID-19 pandemic, SLA will still be offering grants to member libraries, but at the moment we are uncertain when libraries will reopen, and whether gatherings will be possible. In light of this situation, SLA will be offering a number of one-hour videos created to spark interest in a new skill, a different author or to engage with a new idea. Videos can be posted to your website or, should libraries be open, can be shown within the library. Successful grant recipients can use funds to create an online project, posters (and printing) and even popcorn.

Need help funding your Culture Days Program? The Saskatchewan Library Association is offering ten \$200 grants to member libraries to help celebrate Culture Days.

Applications will be juried by members of the SLA Program Committee and all decisions will be final. The application form is available at www.saskla.ca/culture-days.
