Nominate an individual, a not-for-profit organization, a social enterprise or a socially responsible business who has made a significant contribution in improving the lives of others in their community through volunteering.

**Did you know** that you could nominate more than one volunteer? The 5 award categories are as follow:

- One national award: the Thérèse Casgrain Lifelong Achievement Award;
- Four regional award categories: Community Leader, Emerging Leader, Business Leader and Social Innovator.

**We are counting on you to recognize outstanding volunteers throughout Canada!**

In addition to receiving an award from the Government of Canada at a national ceremony, recipients are invited to choose a not-for-profit organization to receive a grant of \$5,000 (regional awards) or \$10,000 (national award).
