

SLA Board Nominations for 2020-21

A great opportunity to contribute to your profession!

As a board member, you have an opportunity to lead and influence the direction of the Association. You will become familiar with issues affecting libraries of all types. As an organization, we work collectively to improve and support libraries through advocacy, communication, stakeholder engagement, professional development and networking. You will gain experience that contributes to your professional portfolio and at a personal level, you get to make new friends and contacts.

There is a time commitment; SLA typically holds 6 - 7 meetings a year (June Board changeover, August retreat, October, November, January, March, April/May), some of which are through teleconference. Board members chair and/or participate on the Association's committees including: Continuing Education, Advocacy and Development, Membership, Publications, Program. The work accomplished by these committees benefits the Saskatchewan library community. This year, there are four positions available:

- President (2-year term)
- Vice President of Engagement and Communications (2-year term)
- 2 Members at Large (2-year terms)

The nomination form and brief job descriptions for these positions can be found at:
