IMPORTANT INFORMATION

About the Education Institute

The Education Institute was created by the Ontario Library Association in 2003. Today it operates under the Partnership, a collective effort of Canada's provincial and territorial library associations. Education Institute programming is offered year-round and is developed for professionals from all library sectors from coast to coast. One-hour webinars and longer web courses are offered virtually to save you time and money. Visit us online at www.educationinstitute.ca.

Pricing

Education Institute offers single-site registrations for one-hour webinars for the usual fee of $45 for members and $55 for non-members. Prices for courses vary depending on length and subject matter.

All Access Pass

We encourage institutions to purchase an All Access Pass for collective professional development opportunities. The All Access Pass provides your team with unlimited access to live and archived Education Institute webinars without the burdens of administrative assistance. To learn about the All Access Pass, please contact us at education@accessola.com.

Archived sessions

After the webinar, registrants will receive a link to a streamed recording of the session, which can be viewed for up to one year after the live session date.

If you missed a session, you can access the recording from our website for a small fee. Please note that not all sessions will be recorded.

Technical requirements

Education Institute sessions are conducted using the Adobe Connect web conferencing platform. Log in as a guest; no password is required. No software or equipment is needed to participate in a session, other than an Internet browser and computer speakers. Please refer to the connection instructions for testing and troubleshooting information.

Refunds and credits

EI does not offer refunds for missed sessions. If you are unable to attend a session, please refer to the recording. If a session is cancelled, registrants will receive a credit for a future session. Please note that dates are subject to change.

Continuing Education Certificate

EI sessions count as credits for the Partnership's Continuing Education Certificate program. Please visit www.thepartnership.ca for more information.

Contact us
