

You are invited to present at the 2021 Stronger Together Virtual Conference hosted by Parkland Regional Library System, Peace Library System, Yellowhead Regional Library, and The Alberta Library. This international event will take place on Wednesday, September 22<sup>nd</sup> through Friday, September 24<sup>th</sup>.

The planning committee is currently seeking innovative and industry-leading proposals for 45-minute sessions, 10-minute lightning talks, and asynchronous poster presentations.

This year's conference themes include:

- **NetSpeed:** Enhancing libraries through ongoing technological development.
- **Library governance and leadership:** Sharing knowledge and experiences to increase organizational efficacy and impact.
- **Post-pandemic reintegration:** Developing strategies to keep libraries moving forward in the wake of COVID-19.
- **Diversity and inclusivity:** Exploring how organizations support and promote a variety of strengths and perspectives in our communities.
- **School Librarianship:** Discussing the initiatives, practices, and contexts that underpin successful school libraries.

We are open to a variety of topics and themes; if your topic does not neatly fit into the above categories, we still welcome your proposal.
