

## SERP Training and Promotion Survey

The [Saskatchewan Electronic Resources Partnership \(SERP\)](#) is a province-wide program in which partner libraries pool funds to purchase access to digital resources: magazines, journals, newspapers, reference books, and other information resources.

SERP has heard, through focus groups and other conversations with multiple library sectors, that training and promotion are desired. The SERP Planning and Development Committee (PDC) committed to survey all program partners about training and promotion needs. This short 5-minute survey to collect feedback in a focused way will help us aggregate feedback from SERP partners across all sectors.

The PDC will use the information collected in the survey to investigate training and promotion solutions that make sense for SERP. This is the first step, to gather information about potential future actions. The PDC may share the findings with others, but all responses will be anonymized and aggregated so no individual person or agency can be identified.

The survey is open to any staff working in a SERP partner library. Not sure if your library is a SERP partner? [Check this list and find out.](#)

Take the survey: <https://www.surveymonkey.ca/r/SERP2022>

The survey will remain open until November 25, 2022. If you have any questions or concerns about this survey, please contact Regan Gunningham ([regan.gunningham@gov.sk.ca](mailto:regan.gunningham@gov.sk.ca))
