

Dear Saskatchewan Libraries:

In supporting cultural enrichment of our province, the Saskatchewan German Council (SGC) would like to make our quarterly newsletter Postillion easily accessible for everyone! Contact us to order the printed editions or to receive the online publication to use in your library systems.

The Saskatchewan German Council (SGC) promotes German culture, language, customs, traditions, and interests for the benefit of all Saskatchewan people. We are the umbrella organization for over 30 member groups in Saskatchewan such as German & Austrian clubs and dance groups, German language preschool & schools, music groups, cooking groups, historic societies, and many other German cultural groups.

What is the Postillion? SGC's quarterly newsletter is called "Postillion". The publication contains information on our community of people of German-speaking backgrounds. Leading themes provide a wide variety of articles ranging from history, immigration, traditions, science, art, language, recipes, member reports, children's corner, and more, all related to Germans in Saskatchewan.

We would like to provide you and your users with our quarterly newsletter Postillion to learn about the German Canadian community in Saskatchewan through one of the following options:

- Printed copies
