

Comings and Goings

Karen Jensen

Manager, Collections for the Saskatoon Public Library

I grew up on a farm outside of Gull Lake Saskatchewan. Having lived in Montreal, QC, Vancouver, BC, Halifax, NS, Moncton, NB and Dorval, QC, I am happy to be back in Saskatchewan and living in the big city.

I earned my MLIS at Dalhousie University and have been dedicated to working in public libraries ever since. I believe that libraries provide essential public services. I am very interested to see how the movement toward community-led public libraries is manifesting in different ways across Canada.
