The secret garden.
In a dark, dark wood. Little Owl's night.
Frogs.
Hoppin' in the rain.
Five bouncing bunnies. No two alike.

Claire

Who loves me?
I love you, Funny Bunny.
All because you matter,
Because you're mine.
Wherever you go,
Be kind.

Thacia

Polar bear, polar bear, what do you hear?
Neigh!
Moo, baa, la la la
Squeak! Vroom! Zoom!
Peepo Whose teeth are these?
There's a pest in the garden!

Eldon

Children 9-11

Sleepover friends
Best friends forever
Two friends too many
Totally crushed
Because of Winn-Dixie
I want to go home

Can I play too?
Trouble talk
Tough!
Weird!
What happen's next?
Peace, Baby!
I'm sorry
Bullies never win
A world of kindness

Rashid

Hello Spring
I want to know about
Nature's children
Sealed with a kiss
Nature's children
Lost in the snow I choose you.

To be honest
Say what you will
I know it's over
Did I mention I miss you?
Someday
Find me.

Jennifer

Hush Hush
If you find me
In the stillness of quiet moments
There's hope for the hurting
If I stay

Cal

Last words.
Srsly, WTF?
I drink for a reason
where the sidewalk ends...
waiting for the punch,
making the monster,
the tipping point
beyond
the modern Kama sutra
riding rockets
and here's the kicker...
I found this funny.
