

SOLUTIONS-DRIVEN TRAINING FOR TODAY'S WORKFORCE

The Alabama Training Network provides the most extensive workforce training, technical assistance, and business solutions designed to empower and strengthen industries in Alabama.

Committed to Workforce Excellence

ATN provides Alabama industries with services and private resources to enhance growth, improve productivity, reduce costs, and expand capacity. We specialize in implementing innovative solutions, developing and training employees, and improving workforce processes to help companies thrive.

Agribusiness & Food Services

Provides expertise in food safety, quality assurance, and operational improvement for food and agriculture companies. Services include supply chain risk management, product traceability, recall planning, and specialized training. *Email: afsteam@atn.org.*

Continual Improvement

Helps organizations increase efficiency, improve product quality, and strengthen operations through lean and quality methods. Provides hands-on training, guidance, and facilitation to streamline processes, reduce waste, and implement sustainable management systems. *Email: citeam@atn.org.*

Environmental Health & Safety

Partners with organizations to strengthen workplace safety and environmental compliance through OSHA, ADEM, and EPA expertise. Provides customized training and technical assistance to improve safety programs and reduce risk. *Email: ehsteam@atn.org.*

Industrial Maintenance & Technology

Provides hands-on training and technical assistance to strengthen technical workforce skills and improve operational performance. Expertise includes automation, maintenance, IT, and machining to increase equipment reliability and support advanced manufacturing. *Email: imtteam@atn.org.*

Leadership & Management Development

Develops supervisors, managers, and future leaders through engaging on-site training focused on communication, collaboration, and leadership effectiveness. Interactive sessions help participants strengthen teams, improve workplace performance, and grow leadership skills. *Email: imdteam@atn.org.*
