

Boardman High School Gymnasium Scoreboard Sponsorships

Message from the Athletic Director and Booster Club President:

Dear Business Patron,

Thank you for your interest in Boardman High School and our Gymnasium Scoreboard Sponsorship program. Your continued support enables us to provide a high-quality program which benefits so many dedicated student athletes.

Boardman High School sporting and school events are an excellent forum to deliver your message and promote your business. Thousands of students, parents, family members and friends attend games and other events at our facilities every year. Exposure to this core demographic permits you to reach consumers who want to patronize establishments that support Boardman High School's athletic programs.

We are proud of our student-athletes who continue to grow into model citizens in our community. These students and their families are often your most frequent customers. Every sponsorship or advertising dollar that you, an important member of our community, provide directly supports Boardman Athletics.

Please take a moment to review this sponsorship package. It provides an overview of the scoreboard sponsorships available for your organization to team with Boardman High School Athletics.

Thank you for your consideration and all you do in our community. Go Spartans!

About the Boardman Booster Club

The Boardman Booster Club is an independent, registered 501(c) (3) non-profit organization comprised of volunteer parents, coaches, faculty, alumni, and community members who are dedicated to providing additional resources to the athletic programs of the Boardman Local School District. We strongly believe that interscholastic athletics is an integral part of a well-rounded education and that the positive publicity brought to the school by these programs helps create a better overall learning environment as well as a source of community spirit and pride. All proceeds of our membership drive help meet needs of the athletic programs that cannot be funded through the operating budget of the School District. Funds raised by the Boosters are used to purchase equipment, supplies, and make capital improvements that enhance the Boardman Local School District's athletic programs.

The Boardman Booster Club has been involved with supporting and promoting Boardman students for over 50 years. In grades 7-12 the Boardman Schools offer participation in 24 sports, consisting of 50+ athletic teams, with over one thousand boys and girls participating each year.
