

High School Program News

MATE ROV

Our **MATE ROV** teams performed well at the Monterey MATE Regionals on April 22, 2023. Congratulations to our **Navigator team** for earning **first place in the competition and first place for speech and communication**.

We also want to give a shout-out to our **Ranger team** for their performance. They faced unexpected issues during the competition, but they bonded together and solved them with a smile.

The teams' achievements are a testament to their skills, preparation, perseverance, and passion for underwater robotics.

2023/24 INFORMATION

AMSE Program Applications

Opening Monday, July 17, 2023 @ 9:00 am

Join the AMSE Institute

Not yet an AMSE Institute member? Register today at vcs.net/amsehsapply.

Current AMSE members and honors students need only apply once during their time in high school. Your membership is valid through graduation.
