National Philanthropy Day

Frequently Asked Questions

What is National Philanthropy Day (NPD)?

NPD is a special day set aside to highlight the individuals and organizations that have played a key philanthropic role in making an extraordinary difference in the lives of people in communities across the country. It is a time to bring together professional and volunteer fundraisers, individual philanthropists, dedicated groups, and corporate and foundation grant makers to celebrate the role of philanthropy; and to recognize those whose gifts of time, expertise, and resources have contributed significantly to the quality of life in Indian River County.

When is National Philanthropy Day in Indian River County?

This year's celebration will be held on **Tuesday, November 14, 2023** at the Community Church from 11:30 to 1:00 p.m. Light luncheon fare will be offered.

What are the award categories?

Our theme this year is *Grace: The Art of Giving*. In our unpredictable world, we remain resilient, hopeful and connected in ways we never could have imagined. Let us honor those individuals who continue to make an impact on our community.

In this spirit, we are asking local nonprofits to lift up and recognize one of their Honored Leaders (we know you have many!!). Honored Leaders can be a youth, group, donor, volunteer, Board member ... whoever your organization believes should be recognized by our community for their dedication, passion, commitment, support and enthusiasm for your organization and its mission. Think of someone who has furthered the achievement of your organization's mission through generous contributions, outstanding leadership or exemplary volunteerism. There are no categories or award recipients this year; twelve Honored Leaders will be celebrated and recognized during the ceremony on November 14, 2023.

All Honored Leaders will be recognized including:

- Name and photo on TV screen during ceremony
- In the event's printed program, which will include a photo of each Honored Leader and brief tribute written by the organization
- Recognition from the podium
- Post event coverage in press release

Again, to ensure we have the opportunity to appropriately recognize each Honored Leader, nonprofit organizations may submit one Honored Leader. You might also consider a joint submission with another nonprofit organization to further highlight your Honored Leaders diverse philanthropic engagement in our community! **The maximum number of Honored Leaders we can accommodate in this year's format is 12; submit your packet early!! In order to be considered, your organization must be a member of AFP!**

How do I submit an Honored Leader?

Guidelines and the submission form are included in this packet. For more information, please call or email Elizabeth Thomason at (772) 299-7449 or email ethomason@bgcirc.org.

Can an individual or business who has already been a recipient of a National Philanthropy Day award be submitted as an Honored Leader this year?

- Again, to ensure we appropriately recognize and celebrate all our Honored Leaders, previous National Philanthropy Day award recipients may not be submitted as an Honored Leader. Spread the love with someone else who has made an impact on your organization! A complete list of past award recipients is included in this packet.
- Individuals, groups, or businesses who were nominated previously, but were not the recipients of a National Philanthropy Day award, are eligible to be Honored Leaders.

How do I begin the submission process?

Consider convening a small committee including a representative from your board of directors, development staff, volunteer corps, and program staff. Together, you can consider who you would like to celebrate in this unique way at the 2023 National Philanthropy Day event.

Please note: Each nonprofit may give only one submission; no exceptions.

Once your organization has identified an Honored Leader, contact them to confirm they are comfortable with this recognition. Be sure they will be in town and available to participate in NPD on November 14, 2023. A limit of 12 Honored Leaders will be recognized and celebrated at this event.

What is the deadline?

Honored Leaders information must be **emailed** by 5pm on Monday, October 2, 2023 to ethomason@bgcirc.org using the following **email subject: Honored Leader Submission**

Will mentors be available to assist me in completing my submission?

The submission process has been simplified this year, and does not include an external evaluation. Furthermore, all submitted Honored Leaders will be recognized during the National Philanthropy Day celebration. We will provide Zoom informational session on September 14 at 10 a.m. to explain the process.

Any questions or concerns following the information session can be directed to Elizabeth Thomason, (772) 299-7449.

What comprises a complete submission packet?

1. Completed Honored Leader Information Form
2. 1-page narrative (12-point font, with 1-inch margins all around), **Word doc please, no PDFs.**
3. **Separate sheet** containing a 30-50 word introduction of your Honored Leader that will be read by the NPD emcee at the podium during the event. **(Word doc please)**
4. Two digital photos (one headshot and one "action") of Honored Leader **(jpeg format, minimum 300 dpi)**, preferably using a digital camera
5. Organization logo

Do I have to be a member of AFP to submit an Honored Leader?

Yes! AFP membership is required this year.

Who will be judging the 2023 NPD submissions?

Submissions will not be judged. Fifteen Honored Leaders will be recognized.

If my organization chooses to recognize an Honored Leader, is there anything we should do for them at the event?

Honored Leaders will be given a wrist corsage or boutonniere upon check in. However, you may still wish to do something special for your honoree, for example:

- Invite them to a Board meeting (even a Zoom meeting) so your Board members can personally thank them for their commitment
- Send a personal letter from a client who has been impacted by the services your Honored Leader has supported with their time, talents or treasures
- Include the Honored Leader's photo and story in a press release, newsletter or annual report
- Give a memento of the occasion like a plaque, framed photo, etc.
- Honored Leaders will receive press coverage from the event supplied by our AFP Chapter.
