

The Penguin Project is coming to Texas via Corsicana Independent School District on April 24 & 25, 2020. This new adventure will involve a number of students in 4th grade and up (of all abilities) volunteers, educators, parents, professionals and other community supporters. The 2020 CISD Penguin Project will produce the Broadway musical, "Annie, Jr."

Actors will be students with special needs accompanied by student mentors who will assist them throughout the practices and performances. This is much more than a show. This project is about bringing people together to learn, to help others, and experience the power of the human spirit.

Information Meetings will be held Dec. 2 & 5 at Corsicana High School 6pm.
