

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

To all YMCA of Corsicana Families,

We continue to rely on experts from the Centers for Disease Control and Prevention (CDC) and state, county and city health officials to ensure the safety of our members, employees, guests and children in our care.

With the ever growing and changing responses to the COVID-19 pandemic and national emergency, the YMCA is taking further steps to limit certain public gatherings.

The YMCA will remain open with normal business hours with the following exceptions. Beginning today **March 13, 2020**, we have suspended or limited the following activities through **March 22nd**:

- **Senior/Active Older Adults**: All Senior programming canceled (Group Exercise, Young at Heart)
- **Sports**: All sports activities, games and practices are postponed.
- **Youth Programming**: Kids Club has been suspended for the time being.
- **Aerobics Classes**: All aerobics classes have been canceled.
- **Nursery**: Our nursery will have a limit to 10 children.

Safety is our overriding principle. As a community service organization, the YMCA of Corsicana will strive to remain open unless it puts people at risk.

We want to encourage staff, members and participants to:

- Stay home when you are sick or experiencing symptoms of COVID-19.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose and mouth.
- Clean and disinfect frequently touched objects and surfaces.
- Wash hands with soap for at least 20 seconds.
- Follow the 3 C's (Cover, Clean, Contain) when sneezing or coughing.

We will continue to monitor and evaluate the situation on a daily basis and update the community we serve as needed.

Thank you for your continued trust in the YMCA.

Thomas Burns
CEO
YMCA of Corsicana
